

Warwick Partnership

DEVELOPING THE WARWICK DISTRICT
SUSTAINABLE COMMUNITY STRATEGY

Making it Real

Monday 18th February 2008

9am – 1pm

(Lunch provided)

Woodside Conference Centre,
Glasshouse Lane, Kenilworth. CV8 2AL
(For directions: www.sundialgroup.com/woodside)

Join us again on the last laps of developing the sustainable community strategy (SCS) for Warwick District. The Shared Vision event in June 2007 was a dynamic day which gave the opportunity for all sectors of the community to input into a new strategic vision and key long term aims. Following a series of multi agency focus groups involving key partners, we are now reporting back on how we have translated all that feedback into a draft framework and want to know what you think.

The aims of 'Making It Real' are to:-

- **Get agreement on the draft framework**
- **Fine tune and rationalise the priorities**
- **Agree HOW we can ALL contribute to delivering on these priorities**

It's also about facilitating an understanding of how the SCS fits with the development of the planning core strategy and with new emerging priorities e.g. the new LAA, locality working and safer neighbourhoods.

ADVANCE BOOKING ESSENTIAL!!!

Places **MUST** be booked in advance – 1 representative per group/organisation. To book your place contact Jenny Bradley on 01926 456007 jennifer.bradley@warwickdc.gov.uk by **13th February**.

(For any general queries contact Liz Young 01926 456019 liz.young@warwickdc.gov.uk)
